The CastleArk Advantage

- Proven institutional money manager with a long-term record of growth investing.
- 100% employee ownership ensures full alignment with client interests.
- Experienced team of professionals successfully implementing a time tested investment process.

Investment Philosophy - The Direction of Growth

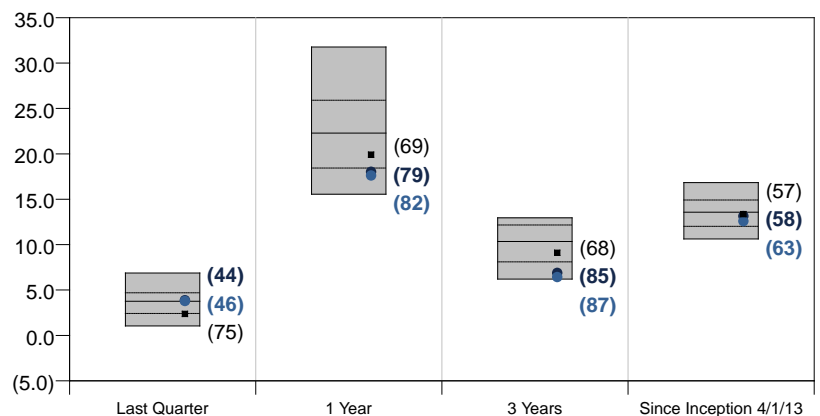

We believe earnings growth is the primary driver of stock prices over the long term and emphasize three key attributes in our investment approach:

- A process that emphasizes direction of growth over absolute levels
- A focus on actual fundamental improvements vs. anticipated improvements
- A disciplined analysis focused on magnitude and sustainability of fundamental drivers

Investment Process

Steps	Process	Results
1 Identification: Improving Fundamentals	<ul style="list-style-type: none"> • Computer Screenings • Company Interviews • Direction of Growth • Actual vs. Expected 	200-300 Stocks
2 Fundamental Analysis: Attributes	<ul style="list-style-type: none"> • Drivers of Improvement • Magnitude • Sustainability 	100-120 Stocks
3 Portfolio Construction	<ul style="list-style-type: none"> • Bottom Up • Formal Weekly Meeting • Sell Discipline 	85 - 110 Stock Portfolio

Important Disclosures

Performance reflects reinvestment of all income and capital gains and is shown in US dollars and after the deduction of transaction costs. Performance is shown gross and net of actual management fees charged. Actual investment advisory fees incurred by clients may vary. Performance during certain periods reflect strong stock market performance that is not typical and may not be repeated. *Up/Down Market Capture* measures composite performance (gross of fees) relative to the index during periods when the index has risen/fallen. *Alpha* measures the excess return (gross of fees) relative to the benchmark over a period of time. *Information Ratio* measures the excess return generated from the amount of risk relative to the index. Peer Group Universe represents the CAI Small/Mid Cap Growth Universe and may not be representative. Additional information on the universe source and construction methodology is available upon request.
